The **Pain2Peace** Training is part of **Hidden Treasure Ministry**. Our vision is to equip both laypeople and professionals to help hurting people move out of pain and into peace. Sexual abuse is epidemic in the world today and yet there are so few who are equipped in trauma recovery who can help. The 'harvest is plentiful, but the laborers are few' here too.

Endorsements

"It's evident that Eric and Lisa have been called to minister to the abused, traumatized and hurting. Their compassion, insight, experience, and education has prepared them well. I attended a seminar of theirs last year and found it to be very beneficial both personally and professionally."

Diane K. Schmidt, LMSW

Since our time together last fall the most amazing change in my heart has been in my lack of fear and "heaviness" ...and feel only peace and gratitude -- complete awe at God's power in the situation. Thank you so much for being there for me, and for guiding me through such an incredible time.

-K.

It is with great pleasure I recommend "Pain2Peace training" if you are looking to deepen your understanding of how God heals and transforms the broken places of one's soul. Whether you are looking for more equipping as a lay-trained counselor or for personal healing, you will benefit from Eric and Lisa's model of healing prayer. Eric and Lisa are well-trained, gifted counselors who the Lord has used to help others move from "pain to peace" around the globe.

Our mission is to equip those called to set the captives free!

We have been missionaries for many years. In 2003 God called us to a new field, it wasn't a place, it was a people group: the sexually abused. Since then we have been actively studying the best teaching on trauma, neglect and abuse we could find from both Christian and secular view points.

We have developed and been teaching internationally, a curriculum that equips both people and professionals alike. What you will learn is easily adapted to other cultures or spiritual climates, including unbelievers.

If you are not able to attend this training and would like to help someone else attend please email us at info@htmin.com or you can donate one line at www.htmin.com
